

Curtis Powers

Curtis is currently a sophomore at Simsbury High School. He began his scouting career as a Webelos II with Pack 254 in Peoria, Illinois in 1997. In 1999, he moved to Simsbury, Connecticut and joined Troop 174 as a Star Scout. Curtis has been a patrol leader and his patrol received the Honor Patrol award in 2001. He became a member of the Order of the Arrow in 2001 and has been the OA Representative for the Troop this past year.

Curtis's favorite scouting experiences include a 2000 fishing trip to Cache Lake, Canada, West Point football games, the 2001 Maine high adventure trip and the 2002 West Virginia high adventure trip. He has really enjoyed camping and the camaraderie of the troop.

For his eagle project, Curtis organized the construction of a 6' x 6' playhouse for the preschool children at Valley Community Baptist Church in Avon, CT. He believes that the leadership skills he developed during the completion of this project will help him tremendously in achieving his goal of acceptance to the aviation program at the Naval Academy in Annapolis upon graduation from Dunlap High School.

Curtis will be rejoining Troop 254 in Peoria in September. He would like to thank the Troop 174 leaders and fellow scouts for their support and assistance on his journey to the rank of Eagle Scout.
