

Keith D. Ganis

Keith was born on July 8, 1988 in Hartford, CT. He has lived in Simsbury all of his life.

Keith is presently attending the University of Tampa with interests in business and sports management. He has an older sister, Brenna, who is a sophomore at Fairfield University.

Keith's passion is baseball. He has played spring, summer, fall since T-ball and finished up on the Simsbury High School Varsity team. He also umpired for a number of seasons for the town teams. Keith had been active in his church participating in Bible Camp while preparing for his Confirmation. He enjoys boating in the summer with his friends and vacations to Cape Cod.

Keith began scouting in the Cub Scout pack at Tootin' Hills School. He joined Troop 174 and continued on. Keith enjoyed many activities, such as the Block Island trips and summer camps. His most rewarding summer camp memory was when he earned his Swimming merit badge. That was quite an accomplishment because the year before he couldn't float and wasn't allowed in deep water. During his scouting years, Keith served as Quartermaster, Librarian and Assistant Patrol Leader.
