

Dunstan William Scully

Dunstan William Scully was born in 1992 in England. At the age of two, he and his family moved to Cologne, Germany, and after three years to Simsbury, CT. At the age of six, he joined Cub Scout pack 276. Three years later, his family moved back to Germany, this time to Munich. He earned his arrow of light and joined Troop 21. When he was twelve, his family moved back to Simsbury, where he joined Troop 174. William currently lives in West Simsbury and is a senior at Simsbury High School.

While with Troop 21, William attended a Fall Jamboree, and summer camp at Camp Freedom, as well as many other smaller trips. While with Troop 174, he held the positions of Scribe, Patrol Leader, Assistant Senior Patrol Leader, and Junior Assistant Scoutmaster. He attended his first summer camp in America with Troop 76 at Camp Mattatuck, and attended the next four with Troop 174 at Camp Workcoeman. Will's favorite and most memorable experiences from Scouting, were the 11-day trek at Philmont Scout Ranch in New Mexico, and SCUBA diving in Honduras, closely followed by the annual bike trip on Block Island.

In addition to Scouting, Will is very involved in music. He played violin in the Simsbury High School Orchestra for three years, before switching to the Simsbury High School Jazz Ensemble, where he still plays violin. He has participated in two Battle of the Bands, earning an Outstanding Musician award both times, and winning first place last year. In the winter, Will is a Ski Instructor at Ski Sundown, where he combines his passions for the outdoors and skiing with his joy of working with children. In the fall and spring, Will rows crew and just finished rowing his fourth season with the Simsbury High School Crew Team. William will be attending Trinity College in the fall, where he is going to row. He also hopes to continue his passion for music, and passion for the outdoors by getting involved in the music program there, and the outdoors club.

Rank Advancement

Eagle Project

For William's Eagle Scout Project, he organized a series of ten concerts at the McLean Village, Center for Independent Living. These concerts consisted mostly of student musicians, playing pieces individually or as a group, or organized groups such as the Simsbury High School Jazz Ensemble, and the Women's Praise Choir from First Church of Christ. He would like to thank Tina Usher at Mclean for everything she did to help make the project possible, all the musicians who volunteered to perform, and his grandfather for getting him started with the idea.
